LEGAL EXPERT WITNESS SERVICES

Failure Analysis, Accident Reconstruction, Injury Causation Analysis

Multiple engineers and other qualified experts with over 300 years collective experience.

CORPORATE EXPERTISE

Partial List

Automotive: Axles, Brakes, Engines, Restraints, Seatbelts, Steering, Suspension, Tires, Transmissions, Wheels, Accessories and Ancillary Systems

Engineering: Automotive, Biomechanical, Civil, Corrosion, Human Factors, Industrial, Manufacturing, Materials, Metallurgical, Mechanical, Safety, Traffic, Welding

Machinery: Agricultural, Construction, Cranes, Forklifts, Industrial, Manufacturing, Material Handling, Power Tools

Premises: Doors, Ladders, Lighting, Stairways, Slip/Trip and Fall, Windows

Products: Appliances, Fasteners, Furniture, Ladders, Medical Appliances, Tires, Tools

Vehicles: Bicycles, Buses, Cars, 4x4's, Industrial, Off-Road, Motorcycles, Motorhomes, S.U.V.'s, Trucks, Trailers, Vans

SERVICES

Accident Reconstruction
Animation
Biomechanics
Courtroom Exhibits
Demonstrative Evidence
Engineering Research
Engineering Analysis
Expert Testimony
Error Analysis
Failure Analysis
Industrial Accidents
Injury Causation Analysis

Inspection
Mapping of Scene
Metallurgy
Microscopy Analysis
Models
Photography
Premises Liability
Products Liability
Reports
Slip and Fall Analysis
Time/Distance Analysis
Videotape

AFFILIATIONS

American Society for Metals
American Society of Mechanical Engineers
American Psychological Association
American Welding Society
American Institute of Aeronautics and Astronautics
Association for Facilities Engineering
Human Factors Society
National Association of Professional Accident Reconstruction Specialists
National Society of Professional Engineers
National Academy of Forensic Engineers
Research Society of America
San Diego County Bar Association
San Diego Insurance Adjusters Association
Society of Automotive Engineers
Southwestern Association of Technical Accident Investigators

BOOKS

Engineering Report Writing, Brown
Forensic Engineering Reconstruction of Accidents, Brown and Obenski
Motorcycle Accident Reconstruction, Understanding Motorcycles, Obenski
Motorcycle Accident Reconstruction and Litigation, Obenski and Hill

OTHER PUBLICATIONS

Too numerous to include

PERSONNEL

<u>Discipline</u>	<u>Experience</u>	
John Fiske Brown, P.E.	Automotive Engineer, Emeritus	40 years
Robert Berkstresser	Bus Operations	20 years
Jon Blake, L.S.	Licensed Land Surveyor	20 years
Jack Carl Debes, Ph.D.	Biomechanical Engineer	10 years
Carl E. Englund, Ph.D.	Human Factors	30 years
Orris H. Johnson, B.S.M.E.	Tire Engineer	40 years
Kenneth S. Obenski, P.E.	Mechanical Engineer	20 years
Eric S. Shapiro, A.S.E.	Automotive Technology	10 years
Tyrone Dennison, A.A.	Demonstrative Evidence	10 years
Lynda Laws, B.A.	Publications	35 years
Jean Morgan, A.A.	Bookkeeper/Office Manager	35 years
Lori L. Wickham, PhD.	Physiology / Biology	10 years

Contact: **KENNETH S. OBENSKI, P.E.**
Board Certified Diplomate of Forensic Engineering
Fellow of the National Academy of Forensic Engineers
